

Rudrananda Kriya Yoga

May 8 to 12th 2024 - Vagney

Kriyā Yoga Intensive

//The esoteric science of mastering our subtle energies //

✧ Kriyā Yoga puts you in direct contact with the channels of your subtle body, the cakras, the bindus, the winds (vayus) and the elements.

✧ It's an engine that powers the visualizations and mantras (of deity yoga) and manifests their experience in your space-time continuum.

✧ Kriyā Yoga is also practiced as an autonomous spiritual technology of liberation. In this case, Swami Rudrananda's system is an excellent practice of inner alchemy capable of transforming all limiting conditioning when combined with pure motivation and a heart of devotion.
